## SWIMMING

Many parents in our town are complaining that the town still hasn't got a swimming pool available for their children. We can understand their impatience which increases as the weather improves. On the other hand, we all as taxpayers, should understand that building a year round swimming pool is not a matter of \$5,000., but will be closer to \$200,000.

In the meantime, the Separate School Board has organized a unique possibility for all the children in St. Albert to learn to swim or to enjoy recreational swimming in the Central YMCA swimming pool in Edmonton. We were informed that at the moment, only 12% of our children have shown interest in this swim campaign which is very disappointing. The School Board has extended the deadline for applications to May 29th and we would strongly advise all those parents who want their children in a swimming pool during the summer vacation, that they contact the Secretary/Treasurer, Mr. Harry Armstrong of the Separate School Board, as soon as possible.

The Learn to Swim classes cost only \$4.00 for 2 months and the recreational swimming (for those who can swim) is \$2.50 for 2 months. Transportation free. If only 12% of our parents are interested in this swimming campaign, how will we ever get the support of our Town Council to build a swimming pool for St. Albert. Parents, show your interest by enrolling your children in this summer swimming class! Phone 599-6563 or go to the Separate School Board office in the Town Hall. Don't forget the deadline is Wednesday, May 29th.

## SUBSCRIPTION FEE

Dear Reader,

Up till now, you always have paid for the service of your Gazette paperboy as much as you thought necessary. We would like to thank you for this fine co-operation in the past which has helped us tremendously to establish the St. Albert Gazette in our town.

Because our town is growing so fast, which means more and more copies, with more and more expense, we will have to charge a subscription fee of 5¢ per copy starting June 1st.

We hope that our readers will again co-operate with us by paying the paper boy at least 5¢ per copy every week.

W.J. Netelenbos,  
Publisher.

Closing CNR Agency St. Albert. Councilor Powell reported that there will be very little change for St. Albert with the closing of the CNR agency. Freight, telegrams, etc can be sent directly to the CNR in Edmonton.

By-law #23/63, Crosswalk Piron St. Council approved a by-law which will help our citizens to cross Piron St. in the middle between St. Anne and St. Michael Streets, by the Community Hall. This will save many steps. After 3 readings this by-law was unanimously accepted.

## TEMPORARY RECREATION DIRECTOR

There was a letter from the Recreation Board asking the Council to appoint a Recreation Director temporarily for the summer months. The salary will be around \$300. per month, to a maximum of 3 months. Council approved this request. In regard to this proposal, Mr. Ivan Brewster President of St. Albert Community League attended this meeting and explained to Council that many recreational activities

in our town are sponsored and/or promoted by the Community League. Mr. Brewster urged that the council shouldn't hire a one year university student as temporary Recreation Director (student from Recreation Course), but rather, a local man, even without the official recreational papers, but one who has

proven in the past to be a great help in recreational activities in our town. Mr. Brewster was supported by a second visitor, Mr. Jimmy Roberts, who worked for our youths many, many years as a volunteer in the recreation field. Mr. Roberts explained to Council that something should be done as soon as possible to get the 200 youngsters who are waiting to start organized baseball in our town. Mr. Roberts also advised Council to hire a local man for those 3 months, who is already informed and experienced regarding the local recreational activities. Council instructed the Secretary-Treasurer to organize a meeting between the St. Albert Community League and Recreation Board as soon as possible, regarding this matter.

## COMMUNITY HALL HEADQUARTERS FOR RECREATION?

Mr. Ivan Brewster, President St. Albert Community League proposed to Council that the Community League is willing to co-operate 100% with the Recreation Board and Council, to set up as soon as possible, a central place in town where a permanent co-ordinator in the recreational field will have his or her office.

Mr. Brewster thought that the Community Hall was an excellent place for such an office, being in the centre of town. Council assured Mr. Brewster that they will study this proposal, with which they sympathize. One of the councillors said "The Recreation Board are the planners and the Community League are the workers".

## BUDGET NIGHT

Next Council meeting, on Monday May 27th, will be the start of the Budget Night meeting. (Editor's note: All citizens, taxpayers, etc, who are

interested in the financial situation of our town, and also in the mill rate, are urged to attend these public meetings of the Council)

## RCMP - FIRE HALL

The tabled motion of Councillor Stewart regarding occupancy of the Fire Hall by the RCMP caused a long discussion. Councillor Stewart mentioned that the Town could save around \$6,000. in 3 years if the RCMP moved to the new \$80,000. Fire Hall. Mayor Veness expressed the desire to know more about the insurance rates, the feelings of RCMP Headquarters regarding this motion, etc. The motion was defeated. Against were Mayor Veness, Councillors

Montpetit, Whetling. In favour were Councillors Powell, Stewart and DeBruijn. The motion is as follows: "that the RCMP occupy the administration wing of the Fire Hall site as soon as it is ready for occupancy, and that the Control Room be re-vamped to form an office for the Fire Chief."

Note to follow the motion "that Council will review the situation when the Fire Chief indicates that he requires additional space."

By-Law #4/63, Renumeration The Returning Officer reported regarding the results of the plebiscite on May 15th. This by-law will be in full force as of May

15th. A notice, together with the water bill, will be sent to the electors in our town regarding their voting responsibilities. The voting on this plebiscite was very poor.

# SPECIAL COUNCIL MEETING FUTURE DEVELOPMENT

Council met last night in committee with the following persons who were invited to take part in the discussion of the future development of the Town of St. Albert: Mr. A.W. Morrison - Deputy Minister of Municipal Affairs; Mr. A. M. Brownlee - Solicitor - Brownlee, Brownlee & Fryett; Mr. W. Geddes - Solicitor Brownlee, Brownlee & Fryett; Mr. R. Leard - Auditor - Deloitte, Plender, Haskins & Sells; Mr. R. Hepburn - Auditor - Deloitte, Plender, Haskins & Sells; Mr. G. C. Walther - Consulting Engineer - Walther & Newby Ltd.; Mr. J. Bredin - Town Engineer; Mr. W. D. Isbister - Assistant Chief Municipal Inspector; Mr. F. Marilyn - Edmonton District Planning Commission; Mr. J. Woodroffe - Edmonton District Planning Commission; Mr. G. Aalborg - Edmonton Journal; Mr. W. Netelenbos - St. Albert Gazette.

The press was not allowed to report but was invited to attend so that they may obtain background information for future reports once the topic under discussion becomes public at a future Council Meeting.

This very important meeting for the future of the Town of St. Albert started at 8:30 p.m. and was adjourned at 1:30 this morning.

At the end of the meeting a motion was moved by Councillor DeBruijn which reads as follows: "That the only development which will take place in the Town will be on land controlled by the Town. The only exceptions to this would be in cases where land owners would be willing to pay for the cost of installing services, in advance. These costs to include all costs, which will be determined by the Town."

This we believe, will be in accordance with the wishes of the Provincial Government." It was unanimously accepted.

And they would also like to thank the Separate School Board for being so gener-

ous as to give the Heracles the use of their first class soccer field at Sir George Simpson School for all their home games.

## MACKENZIE TENNIS CLUB

Opening Day, May 12, was well attended, and everybody enjoyed themselves. The Round Robin Tournament was won by: F. Carnahan, W. Reineke, A. Kenny and P. Jackson.

A continuous Ladder Tournament has been started in which each member challenges the person on the rung above. If the challenger wins then he or she changes

places with the loser. It is hoped that this system will eventually provide a clear indication of a member's standing as a player and also stimulate competition within the club.

The present positions are the result of a draw. If you have not already or please let Mrs. Kenny (599-7297) your name and phone number.

## REV. MOTHER M. LARAMIE

Rev. Mother M. Laramie, Assistant Mother General of the Grey Nuns of Montreal, visited St. Albert last week. Formerly Sister M. Laramie, Mother Provincial for Alberta, she was the original sponsor and first auxiliary vice-president of the Marguerite de Yoville auxiliary. She expressed great pleasure at the address of the auxiliary which was organized only 3 years ago with only a handful of founding members. In this time membership has grown considerably and the auxiliary has purchased for the home a TV,

an microscope and a treatment lamp. An ambitious program of entertainment for the Yoville home residents has been established. Some form of which has been presented monthly: sing, party, concert or picnic. Large remembering birthdays, Mother's and Father's Day are sent to residents. Weekly visits with treats of candy and cigarettes are made by members. Assistance in hobbies and handicraft is given where possible. Such are the achievements that brought blessings and best wishes from Reverend Mother M. Laramie.

## ST. ALBERT UNITED CHURCH NEWS

**Baptismal Service:** On Sunday, May 12, a service of Infant Baptism was performed at St. Albert United Church by Rev. Dr. E. R. Schwarz. The following children were baptized: Sascha Ute, daughter of Mr. & Mrs. L.E.W. VonScheliha; Leslie Maureen, daughter of Mr. & Mrs. W.J. Horner; Darlene, daughter of Mr. & Mrs. E. E. Johnson; Karen Lyn, daughter of Mr. & Mrs. E. W. Lucht; Shannon Jean, daughter of Mr. & Mrs. G. L. Willis; Elnora Jane and Susan Elaine, daughters of Mr. & Mrs. J.W. Goodkey; Stephen Murray, son of Mr. & Mrs. G. Ward; Trevor Leslie William, son of Mr. & Mrs. L.K.W. Taylor; Douglas Gordon, son of Mr. & Mrs. G.D. Bronson; and Ian Murray and Bruce Howard, sons of Mr. & Mrs. R.H. Grant. Dr. Schwarz used portions of the 24th chapter of Joshua, Jeremiah 31:31-34, and Matthew 3:13-17 as texts for the sermon. Dr. Schwarz discussed baptism in the light of being both "sacramental" and "covenantal" in nature. To deny the sacramental aspect in it would be to deny that God can act through creation and nature and this would be unbiblical because the Scriptures record God's use of the flood to punish the wicked in Noah's time, the storm to discipline Jonah, ravens to feed Elijah when he was fleeing danger, a great catch of fish to convince Peter, and an earthquake to free Paul and Silas from prison. However, to deny the covenantal element would be to turn to a pathway that might well lead to a reliance in "clerical magic" or a form of superstition. Rather, it was pointed out that Christians are to be God's people, those who recognize His Sovereignty in Creation and who desire to live in accordance with God's purposes. The choir, under the leadership of Mrs. P. Upright, sang "O Love of God" by Thiman.

**Naramata Night:** On Monday evening, May 13, the United Church Women sponsored a Naramata Night. Naramata is a school for the training of lay people for part or full time work in the church. It has a winter session and a number of short summer courses. A tour team from the school presented a program explaining the school, this was illustrated by slides. A coffee-fellowship hour followed. Last summer two people from St. Albert Church, Marilyn Kittlitz and Virginia Blackie, and one from Winterburn Church attended the school. This year a number of people are planning to attend the summer courses and two are considering enrollment in the Fall for the Winter Session. The United Church Women are planning a Strawberry Tea to be held at 2:30 p.m. on Saturday, June 1, for the purpose of providing some financial assistance for students attending Naramata from the St. Albert congregation.

Boys and girls who have taken part in the St. Albert YMCA gymnastic program during the past season displayed their new skills to a delighted group of parents and friends on May 14th in the Sir Alexander Mackenzie gymnasium. Under the leadership of Donald Cuts, the boys presented tumbling, apparatus work and the game "British Bulldog". Some very attractive rhythmic exercises were perhaps the outstanding feature of the girls display when Mrs. W. D. Cuts directed her charges. Balance beam and folk dances with some free exercises by Joy Petherbridge completed the girls portion of the program. After watching their own children perform, both the parents and the boys and girls watched fascinated as a team of expert gymnasts from the YMCA's Senior Gymnastic Club put on a fast display of tumbling and apparatus work. Directed by Ernest Witte, acting director of the Y's Physical Department, the team consisted of Bonnie Derome, Ann Kane, Siegfred Schadow, Dagmar Berger, Trevor MacLeod, Gerhard Grobe and Donald Cuts. This gave the visiting parents an opportunity to see just what can be accomplished through years of practice and training. Possibly the nicest thing about the whole display was the evident enjoyment with which the boys and girls performed. They were eager and sparkling with fun, yet still well-disciplined. It was a pleasure to watch them. The work of the St. Albert YMCA has been carried out through the co-operative effort of a large number of people. Assisting Mrs. Cuts and Donald have been Miss Denise Joyal, Pat Delay and Brian Jelley with Alan Blackie and Frank Wright leading boys clubs. A fine group of young leaders-in-training includes Donna Burtor, Donna Clayton, Sheryl Mills, Wrennie Ryley, Jane Netelenbos, Elaine Cuts, Bobbie Ryley, Gregor Dobbie and Wes Lock-

hart. Throughout the season, Mrs. J.W. Barnett has acted as pianist for the girls rhythmic exercises. Liason with the Edmonton YMCA has been through Mr. Clark Ready, general secretary of the Edmonton "Y" and Mr. Grant McKeen, Metropolitan Camping Secretary. They have acted as Related Secretaries and Mr. McKeen, who is a resident of St. Albert, will continue in this capacity during the coming season. During the display evening, presentations were made to Mrs. Cuts, Donald Cuts and the Assistant leaders, with Mrs. R. Usher doing the honors. Mrs. Usher and Mr. J. Hrynew formed the committee who made arrangements for the evening, assisted by Mrs. Hrynew and Mrs. Eric Page. An outline of plans for next year's program was presented by Mr. Ready on behalf of the program committee and Mr. McKeen spoke on the various types of camping offered by the Y. Boys and girls of the St. Albert Y will get a taste of Camp Keewaydin when a bus load of them have the chance to spend the day there on June 8th as a wind up for this season. Gym classes and swimming classes are now concluded until fall.

Dr. W. D. Cuts, Chairman of the Management Committee of the local YMCA was master of ceremonies for the evening. Other members of the local Committee include, besides Mrs. Usher and Mr. Hrynew, Mrs. Page, Mr. J. Yuskiv, Mr. Chris Gates, Mr. George Walker, Mr. George Willis, Mr. Peter Nuis, Mr. Gaston Bouchard, Mrs. C. Ryley. It was announced by Mr. McKeen that Mr. Clark Ready will be leaving the Edmonton YMCA at the end of June to take up a new post in Nigeria with the International service of the "Y". Sincere thanks were expressed for Mr. Ready's assistance in the local work and regret at losing the benefit of his experience.
